Helpful Tips and Hints

- Dollar amounts are entered without decimal points. For example: \$100.00 should be entered as 10000#. Dates are entered as six-digit numbers, June 1, 2009 is entered as 060109.
- Only enter # when prompted by the system. It is not necessary to do so after entering a menu number.
- Your call will be automatically ended if no entry is made within 30 seconds or if your call exceeds 20 minutes.
